Dear Parents,

Greetings!

Welcome you all for the new academic session. With your continuous support and encouragement, RPS is climbing the steps of success year by year. As we stand on the threshold of yet another academic session, I look forward for your cooperation and enthusiastic participation in the holistic development of our children.

I feel pleasure in handing over this booklet to you.

This Booklet will provide the fragrance of rules & regulations and all other information which is useful and important for you and students all through the year. Kindly keep it safe at home and keep on referring it as and when required.

Feel free to give your feedback as they have been always so important for us.

Thanks

INSTRUCTIONS:

Attendance:

To be eligible to appear at the annual examination, a student will have to complete minimum 75% attendance, separately in practical and internal assessment subjects also where applicable.

- Leave will be counted as absent.
- Students attending cultural/sports tournaments/NCC Camps will be given full attendance for the period.
- Parents should regularly check the attendance of their wards.
- Continuous absence without any intimation/approval will lead to the removal from the school rolls. A notice will be sent after a student is absent for three consecutive days without any information. Another reminder will be issued after a week. When there is no response from parents for one month, the name of the student will be struck off the rolls.
- The school will not be responsible if the student misses any important announcement during his/her absence, such as any important announcement regarding dates of practical examination, filling up any forms, issue of some important document or any other information. This is the duty of the parent to check from their own sources if they missed anything important on that day.
- It will not be the responsibility of the school arranging the class- work/homework notebooks from other students if a student remains absent due to certain reasons. The parent will have to arrange them at their own individual levels. However, on request of the parents, teachers can provide extra guidance/help in genuine cases of absence.

Special note for parents:

- Bus facility is optional. In case of argument with bus driver/conductor or boarding of parents in the bus, this facility may be withdrawn with immediate effect and the responsibility of sending the child to school shall be borne by the parents.
- Violation of rules related to uniform/school rules/late arrival/fee dues etc. Will not be considered after 2 intimations and after that student will not be allowed to board the bus and parents will have to bring him/her to school with proper reasons.
- Answer scripts of Annual Examination will not be shown to the parents. If any parents wants to see the examination copies than the same can be done by following a fix procedure.

- At the time of PTM, ward accompanying with parents should be in proper school uniform.
- Early departure from school is not allowed. Only in case of extreme medical conditions, the child can be sent home early.
